Launch Control XL 3 — House Keys Lab 19 (lab/keys, round 19 for 009: the final keys)

Four complete keys, differing in the grand and Rhodes: 1 grand + GM Rhodes (as so far), 2 Steinway + Mark I, 3 Steinway + GM Rhodes, 4 grand + Mark I. Shift + knobs = sound mix (1 piano → Rhodes, 2 B3 → M1, 3 vibraphone → marimba); shift + fader = how strongly the overtones follow the accent (0 = none, half = round 11).

Brightness covers each sound's own range; its top third adds a presence peak. Mode 2: fader 6 = drums (knob 1 = swing, button 2 = drums out), fader 7 = bass.

Guide

What to listen for

Which column? Per column: the mix, Brightness over the whole knob, overtones (shift fader) 0 / half / full. Note the winner and all its knob and fader positions.

Harmony

One chord only: Am9 in Kerri Chandler's shape (the 7th at the bottom, the 9 instead of the root). Chord changes have their own board: house-harmony-lab.
